Dear Friends,

We would like to take this opportunity to thank you in advance for hosting this ministry. There is no greater honor that we can have as servants of the Lord than to share His Word with you through our ministry of testimony and song.

As a ministry that is financially faith-dependant, it is vitally important that every effort is made to establish a foundation in which this service can be successful. We serve by faith because we choose to not set limits on the abundant blessings of the Holy Spirit.

In preparation of our service, we ask that you and your congregation practice "The Three P's", that is:

1. Pray - We ask that you seek God's will for our time together, that we would be instruments of His use, to touch hearts that are open to receive what only the Holy Spirit can provide.
2. Promote - Promote participation within your own church by encouraging attendance and support from within the congregation. Music services can also be a great tool to reach out to those in the community. Inviting family and friends is encouraged.
3. Publicize - Displaying copies of the concert brochure in local areas of activity and contacting local newspapers, radio and television are all ways that you can help to boost attendance.

We truly believe that God has a great and mighty work in store for those in attendance. We look forward to working together in the name of our Lord, Jesus Christ.

In His service,

Dale and Cheryl Golden
